

Understanding the Relationship Between Social Support, Stress, and Coping in Mothers of Children with Down Syndrome: A Mixed Methods Approach

Are you a mom of a child with Down syndrome? We want to hear from you!

- Complete a short, anonymous online survey (20-30 mins)
- Enter a raffle to win one of four \$25 Visa gift cards
- Your voice will help shape support services for families like yours!

- [Click here to access the survey](#)

Participation is voluntary and confidential. Conducted by researchers at the University of Kansas, School of Nursing.
