

Study to Learn about the Perceptions of Research

Are YOU a:

- Caregiver for a person with Down syndrome?
 - Speak English or Spanish
- Self-Advocate with Down syndrome
 - 18+
 - Speak English

Please consider helping us by taking a short online survey or completing an interview:

- Help us understand how to design research that YOU can participate in
- Help identify gaps in research and identify ways that you can access research information easier

Scan the QR code!

Available in both English
(Caregivers & Self-Advocates) &
Spanish (Caregivers only)!
